

# COVID-19

## Be a vaccine champion!

*A vaccine champion is someone who leads by example by getting vaccinated and encourages others to get vaccinated in respectful ways.*

**Help protect the people of Saskatchewan by increasing awareness about vaccination.**

### **How to be a vaccine champion:**

- Share a personal story about why you got vaccinated or why you are excited to be vaccinated when eligible, and post it to your social media page.
- Talk to your family, friends, co-workers and acquaintances about the importance of vaccination.
- Encourage everyone to visit [www.saskatchewan.ca/COVID19-vaccine](http://www.saskatchewan.ca/COVID19-vaccine) for vaccine information that is accurate and up-to-date.

**Thank you for being a champion!**
